

Resources for Caregivers: First being told your child is D/deaf or hard of hearing

CT Hands & Voices

Connecticut Hands & Voices is dedicated to supporting families with children who are Deaf or Hard of Hearing. They emphasize breaking down any bias around communication modes or methodology.

CT AG Bell

AG Bells mission is to enhance listening and spoken language and support the needs of hard of hearing and deaf individuals by providing community events, education, and resources.

Hear Here Hartford

Hear here Hartford is a community-based organization with mentors of various modes of communication. They work to support hard of hearing and d/Deaf young adults.

General Parent Supports

Path CT

PATH's mission is to connect and empower families, children, and youth living with disabilities or special healthcare needs through support, education, and advocacy.

CT Family Support Network

The vision of CTFSN is to build a community of individuals including families and self-advocates, learning to effectively network, communicate, collaborate.

DHH Providers – Early Intervention

American School for the Deaf

The American School for the Deaf is a learning space for all deaf, hard of hearing, and hearing children with diverse communication needs. They focus on the holistic development of the child – intellectually, emotionally, physically, and socially.

CREC Soundbridge

CREC Soundbridge offers specialized expertise (Teachers of the Deaf) and services (Audiology) for students with hearing loss using listening and spoken language as a communication modality.

NECHEAR

NECHEAR specializes in pediatric audiology and aural habilitation for infants, toddlers and children who are DHH learning to listen and talk. Using a team approach, families learn how to maximize their child's listening and spoken language through the use of appropriate hearing technology for successful communication.
